

GUIDELINES FOR THE SACRAMENT OF ANOINTING OF THE SICK

IN OUR PARISH

ANOINTING OF THE SICK

The Sacrament of Anointing of the Sick is intended particularly for persons whose health is seriously impaired through sickness or old age.

The sick person or family should contact the priest as early as possible, especially in the case of serious illness.

Pastoral assistance for the sick may be requested at any time of the day in cases of serious or urgent need, subject to the availability of the priest.

The sick person should also be offered, when appropriate:

Sacrament of Reconciliation

Holy Communion

Viaticum, especially when death is approaching

The Parish Priest provides an opportunity for Holy Communion every Sunday morning to the sick, elderly and housebound, wherever possible.

On the first Friday of every month, the priest will make pastoral visits to the elderly, sick and housebound for Confession and Holy Communion, according to the parish schedule.

Families are strongly encouraged not to wait until the final moments of a person's life before contacting the priest.

The parish community should show particular care, respect and concern towards the sick, elderly and housebound.
